## Pre-school Information

### Lunch Time

Please make sure your child's lunch boxes are named. Remember to keep your child's lunch items as healthy as possible. Please make sure that any grapes in your child's lunch box are cut in half as they can be a choking hazard. Keep portions child sized as they will also be having snacks during the session. Please remember that your child's lunch box should never contain NUTS or EGGS.

To support children's transition to their next school, we will be encouraging children to eat their lunch within an allocated amount of time. This will help prepare them for shorter lunch times that will become routine at school.

### Children's Safety

When dropping off or collecting your child, please drive slowly and carefully whilst in the car park. Always hold your child's hand whilst queuing and until inside the building or car. For your child's safety, please do not let your child run around in this area whilst waiting for the gate to open. Disabled parking is for blue badge holders only. Please display your blue badge when parking in the disabled places.

### Sun awareness/ suitable clothing and footwear

With the nice weather hopefully approaching please ensure that the children are wearing sunscreen before coming to preschool. Please also ensure your child has a sunhat and that it is clearly labelled with their name inside. Suitable footwear in the form of trainers, pumps or closed toe sandals are essential for the children whilst at preschool. Footwear such as flip flops, crocs or open toe shoes are unsuitable and can cause accidents when the children are running and climbing etc. Also, please do not send your child in all-in-one playsuits as they leave children exposed when sitting on the toilet.

## Tapestry

Please remember to check your child's Tapestry development records. Also, please leave some feedback or even your own videos and observations from home. We enjoy sharing your child's progress with you and will be uploading a new observation every fortnight.

## Consultations

We will be holding keyperson/parents' consultations this term. Dates to be confirmed. Please also remember that you can talk to your child's key-person at any time if you wish to discuss your child's progress.

### Jubilee Picnic

We will be holding a Jubilee picnic on Thursday 26<sup>th</sup> May during the morning and afternoon sessions along with a few Jubilee activities.

There will be a sports play afternoon on Thursday 14<sup>th</sup> July pm for all younger children returning in September. Children are to arrive at 1.00 and be collected at 3.00. There will be no preschool sessions for older children on this afternoon.
